Re: Letter Notification  
WC Docket No. 00-257

Federal Communications Commission  
Office of the Secretary

Dear Ms. Dortch:

By this letter, and pursuant to Section 64.1120(e)(1) of the Commission's rules, 47 CFR § 64.1120(e)(1), PCI Communications, Inc. ("PCI") and EC Communications, LLC ("ECC") give the Commission notice of the sale and transfer of PCI's domestic and international interexchange service customer base to ECC, effective as of July 2, 2003.

ECC certifies that it will comply with the requirement to provide advance subscriber notice of the transfer pursuant to section 64.1120(e)(3) of the Commission's rules, 47 CFR § 64.1120(e)(3), with the obligations set forth in that notice, and with other statutory and Commission requirements that apply to this process. The text of the notice of this transaction that will be sent to PCI's customers is included with this letter as Attachment A.

Thank you for your attention to this matter. Please contact Mr. Tony Das at 671-475-6801 with any questions about this submission.

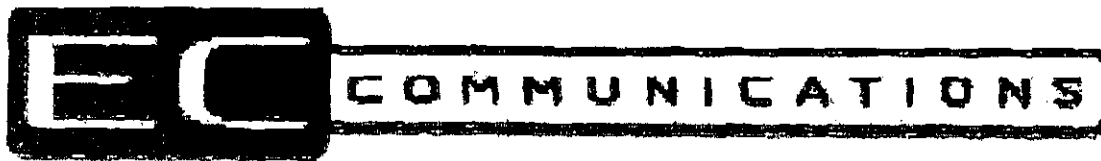

Sincerely,

A handwritten signature in cursive script, appearing to read 'John T. Calvo'.

Dear Customer:

As you may already be aware, PCI Communications, Inc. ("PCI") has recently signed an agreement with EC Communications, LLC ("ECC"), pursuant to which EC will purchase certain of PCI's assets. As a current customer of PCI, your account will be included in this transaction. ECC is very committed to ensuring that you continue to receive the excellent services that you come to expect from PCI.

PCI's direct-dial long distance customers will be transferred to ECC 30 days after the date of this letter. At that time, ECC will begin providing the service you now receive from PCI, without interruption. ECC has no plans to change the rates, terms and conditions of the services currently provided to you. No charges or fees will be imposed as a result of this transaction. However, you are entirely free to choose another carrier to supply the services currently provided by PCI. No action is required if you wish to continue with ECC as your telecommunications provider.

Please note that all customers of PCI, even those who have arranged preferred carrier freezes through their local service provider, will be transferred to ECC. The preferred carrier freezes will be lifted, and any customer wishing to reinstate a preferred carrier freeze must contact their local service provider to arrange a new freeze.

PCI will continue to handle any consumer inquiries or complaints that arise on or before the turnover to ECC. Please direct any inquiries to ECC at (671) 475-2244.

Thank you for your attention to this matter. We look forward to your continued business.

Sincerely,

A handwritten signature in cursive script, appearing to read 'John T. Calvo'.
